Early Career Teachers

start UP!

..... More than 1000 early career teachers have participated in & recommended the program. Join us!

start UP! Your Class Successfully

This first session will help you to start and manage your classroom and build a task-orientated atmosphere. Network with others as you learn how to focus on the most important things when you begin. Get **The First Week of School**, a 33 pg. booklet of lesson suggestions, strategies, ideas and checklists for your first week with your new class. Start Up! your year prepared and confident!

start UP! Your Program Successfully

Next, attend 3 days of workshops packed with plans and strategies to help you **launch six subject areas**. You will receive resources and lesson ideas that work for grades 4 through 7. You'll learn the thinking behind the suggestions, and you will have the opportunity to network with resource people and other new teachers.

how will you find out more?

Join us in the 'Start UP! Your Class' community. Find out about these and other workshops and join more than 500 early career teachers connecting together to **access resources and help at:**
