..... activities and access resources designed
by experienced teachers.

start UP! Series!

Start UP! Your Class. Learn how to start and manage your classroom and build a task-orientated atmosphere. Network with others as you learn how to focus on the most important things when you begin. Get **The First Week of School**, a 33 pg. booklet of lesson suggestions, strategies, ideas and checklists for your first week with your new class. Examples from grades 4 - 7, strategies suitable for grades 2-10!

Start UP! Your Program. Attend 3 days of workshops packed with plans and strategies to help you launch six subject areas. Learn to use resources and lesson ideas that work for grades 4 - 7. You'll learn the thinking behind the suggestions, and you will have the opportunity to network with resource people and other new teachers.
