

**Start UP! Your Class Cooperative: A non-profit teachers co-op
Helping early career teachers be prepared and confident!
Resources, strategies, ideas for early in the year: the what, how and why**

Please pass on to early career teachers.

Planning on a New K-8 Assignment?

Start UP!

Join the **Start UP! Series**

Start your year with 4 days of strategies & resources designed to guide you through your first term with an elementary class. Aug 29-30th. & Sept 17th. & 24th.

Starting up your class is a crucial point in your year. It sets the stage and gets things rolling. Spend each day with leading teachers like **Elaine Jaltema, Adrienne Gear, Tammy Wirick, Ann-Marie Hunter, Nicole Widness and Ray Myrtle.**

Learn:

- what strategies they would use
- how to use them
- what they would focus on and why

Inquiry?

Ask how they are planning to begin and include the new curriculum. Prepare efficiently by using or adapting their resources, strategies and lesson ideas to focus learning.

TTOC?

Read 'Advice for a TTOC' at: bit.ly/TTOCrehearsal

These workshops are full of strategies & resources you can use as a TTOC, during multi day assignments and short term contracts.
