AM. Start UP! Your Class.-

Learn how to start and manage your classroom and build a task-orientated atmosphere. Get **The First Week of School**, a 33 pg. booklet of lesson suggestions, strategies, ideas and checklists for your first week with your new class. Examples from grades 4 - 7, strategies suitable for grades 2-10!

PM -Start UP! Your Science Program. -

To start your first year, you want activities that work, but can adapt to any intermediate grade. Teach about science skills and get your class observing, recording, making and measuring-that is, enjoying science. Get lesson suggestions, strategies, forms and assessment ideas for your first term's science report. Use easy to get materials, yet challenge all students to explore, think and test.

when? 8:45- 3:15 Saturday Sept. 7th. at Coast Meridian Elem. 8222-168A St. Surrey.BC.
