Recommended for TOCs and Teacher Candidates

**start UP!** Your Class Successfully -with Ray Myrtle

Designed for TOCs, Teacher Candidates and FT/PT Early career teachers. This workshop will help you to start and manage your classroom. Learn ways to do the important things and what to leave for later, Get **The First Week of School**, a 33 pg. booklet of lesson suggestions, strategies, ideas and checklists for your first week with your new class in September or later in the year. Suitable for Gr. 2-10 although examples are intermediate. Network as you learn about the other parts of the **Start UP! program**. Join 1200 who have taken this workshop. **-Keynote at 8:30 10:30- 3:00**

**Other great workshops for early career teachers:**

**Build Your Classes' Math Confidence-** Ann-Marie Hunter- Ideas, strategies and resources to begin your first math class.

**Using Childrens' Books to develop Literacy in Core French-** Stacey Sviestrup-Learn Pre-During and Post reading strategies Get helpful strategies regardless of your level.
