## **The First Week of School- Ray Myrtle**

This workshop will help you to start and manage your classroom. Get **The First Week of School, a 33 pg. booklet** of lesson suggestions, strategies, ideas and checklists for your first week with your new class. Network as you learn about the other parts of the Start UP! program. Start Up! your year prepared & confident!

## **Love That Dog- Diana Cruchley**

Love that Dog is a fabulous book; the students love it, You can read it aloud in less than an hour and it lends itself to great discussions and terrific lessons. Use it to teach multiple reading strategies, a journal program and inspire students in a poetry unit. Diana's Cruchley provides wonderful strategies and each participant will receive a copy of the book!

## **Journaling and All That Jazz- Diana Cruchley**

Journals help meet two of the biggest challenges in improving grade 3-8 writing: building FLUENCY and developing VOICE. But...how do you keep your journal program fresh and engaging long enough to build fluency and voice? Get 24 unique strategies you can duplicate for your students. Leave with an entire year's program and a detailed handout in this engaging and practical workshop.

## **Simple Machines - Ray Myrtle**

Using everyday materials, students learn the key ideas about scientific experiments while learning what simple machines do: convert distance into force. Then use this knowledge to creatively solve a problem! Access more than 20 videos& handouts, resources and a discussion group for this unit.
