## TOC Toolkit workshops:

### **‘Start UP! Your Class Successfully’**

AM- Learn how to build your career as a TTOC. Get strategies and **The First Week of School**, with lesson suggestions, strategies, ideas and checklists for your first week with a new class. Learn effective lessons to reduce classroom management issues and an overall strategy and specific techniques to reduce conflict and deal with it smoothly. Get access resources and a support network.

**Start Up! your class prepared & confident!**

### **‘Worried about teaching French?’**

**Worry NOT!**

AM-This workshop will focus on engaging and meaningful strategies for teaching Core French. Teachers will learn fun ways to develop students' French oral language skills. Games and songs and activities that can be adapted for various themes will be shared. A literacy-based approach with Intensive French methodology and tried-and-true activities will be presented. Links to the new curriculum will be presented as well as ways that French mirrors English Language Arts. Regardless of abilities in French, teachers will go away with strategies to implement right away in their classrooms.

### **‘Reading Strategies, Poetry & more!’**

**in 1 book: ‘Love that Dog!’**

PM-‘Love That Dog’ is a fabulous book; the students love it, you can read it aloud in less than an hour and it lends itself to great discussions and terrific lessons. Use it to teach multiple reading strategies, a journal program and inspire students in a poetry unit. Diana's Cruchley provides wonderful strategies and each participant will receive a copy of the book!

We appreciate the financial support of myPITA, BCTF Locals & the RR Smith Foundation.
